RISK MANAGEMENT ARTICLE COMPETITION (RMAC)

RiskArticles.com is inviting industry professionals, academics, as well as students, to submit an article for the Risk Management Article Competition (RMAC). RiskArticles.com provides articles on various topics of risk management in financial institutions around the globe. Our mission is to promote effective risk management and governance practices in the financial services industry.

OBJECTIVE: We are conducting a competition to encourage innovation in risk management with an aim to improve current risk management practices in the financial services industry, etc.

TOPIC: Entries must focus on innovative thinking in risk management at financial institutions. For example, new methodologies for calculation of capital, unique approaches for ERM implementation, innovative tools for risk monitoring, etc.

ELIGIBILITY: Eligible participants include (a) industry professionals, (b) academics, and/or (c) students, who have experience in the financial services industry.

SUBMISSION PROCESS: Entries must be submitted via email to kate@riskarticles.com. Email subject line must include “RMAC Submission”.

Submissions must be sent as a Word document. In order to participate, you must provide the following details in the email:
- Full Name
- Email Address
- Mailing Address (for receipt of prize)

SUBMISSION DEADLINE: All entries must be submitted by January 31st 2013

Winners will be announced on March 25th 2013.

REVIEW PROCESS & JUDGING CRITERIA:

All submissions will be carefully reviewed and ranked based on comprehensiveness of content, ease of readability, uniqueness of views, and relevance to the topic identified above. Primary consideration will be given to articles with the most original contributions to the innovation of risk management, as well as insights into how to improve upon current risk management practices.

A selection of the Top 10 articles will be published on RiskArticles.com on February 18th 2013. The article with the highest number of unique page views1 by March 24th 2013 will be designated the RMAC Winner!

PRIZES2: The winning entry will receive a $300 gift card to Amazon and will be published as a featured post on RiskArticles.com.

TIPS: Increase your chances of winning by being creative and providing current, relevant, and interesting content. A catchy title may result in more page views.

SUBMISSION GUIDELINES: Guidelines for the competition are outlined below. Failure to comply with stated guidelines may result in disqualification from the competition.

- Each participant may only submit one article
- Articles must be original; previously published material will not be accepted
- Any form of plagiarism will result in automatic disqualification
- Entries must be between 1,000 to 10,000 words in length
- Use of images is encouraged
- Article must include all references used, on the last page of the document
- All entries are final; no revisions are accepted
- Article will be accepted from all countries, however, it must be written in English

TERMS & CONDITIONS:

The Terms & Conditions for the Risk Management Article Competition are listed below.

- Copyrights of winning entry apply to RiskArticles.com
- RiskArticles.com is held responsible for ensuring the author’s name is kept and published with the article; unless requested by the author to remain anonymous
- RiskArticles.com reserves the right to publish the paper on RiskArticles.com
- RiskArticles.com reserves the right to remove/delete the article without notice to or consent by the author
- Selection of the RMAC Winner is final and not subject to appeal
